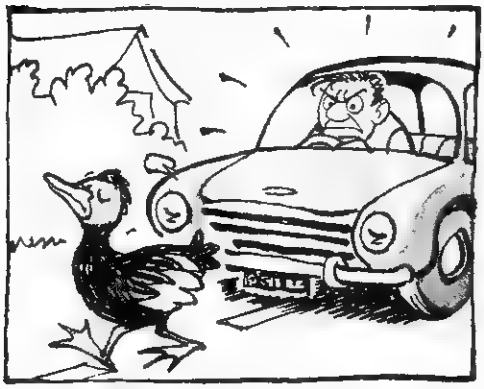
HERE is a photograph of ten-year-old Nicholas Morgan. He comes from Hadfield, Cheshire and keeps three pets—a fish, a rabbit and a cat.

☆☆☆☆☆☆☆

I WOULD like to tell you about my Muscovy ducks. One day I left my ducks' pen open while I was out shopping for mum who was with our next door neighbours. On the way home I turned the corner of my road and I saw one of my ducks walking in the middle of the road. Then a car turned the corner of the road heading for my duck, but the duck did not take any notice of the car. The car was about one yard away from the duck and he started sounding his horn but the duck slowly started to walk across the road. When the duck was on the other side the driver drove on. I ran down to my duck and carried her home.

Siobhan Doody, Chelmsford, Essex.



If you asked a Muscovy duck why it crossed the road it would probably reply "For the same reason as the chicken."

Family funnies

ONE day just before we were to have our lunch, my five-year-old brother said "What is for pudding?" My mother replied "Fruit." To this he said "Can we have operated milk too?" We all laughed when he said this.

Janine Oldham, Penrith, Cumberland.

I see. You all evaporated into laughter!

☆☆☆☆☆☆☆

I WOULD like to tell you about my cat, Boo-Boo. Every morning he comes in the bed with me, and gets right to my feet under the blankets... Every now and then I look to see if he is all right. Sometimes I leave my cupboard door open and he gets in and goes to sleep, once I shut the cupboard door and he kept on meowing until we heard him at 11.30 that night. He is eleven and romps and plays like a kitten. As a kitten he was deaf and was going to be put to sleep so we gave him a home. He spends hours sitting by the fire fast asleep.

Diane Mills, Westgate-on-Sea, Kent.

☆☆☆☆☆☆☆

I HAVE 23 pigeons. They have won many prizes for pigeon racing. I won the 'Young bird average' shield for having the most prizes. I have a large loft in which I keep the pigeons. I have a fox terrier dog to keep guard of them.

John Cutts, Colchester, Essex.

Most people try to keep birds out of their loft, John.

ONE day when my brother came home from work he sat on the sofa and suddenly noticed the bag beside him move. He was very surprised when, to his amazement, the bag fell to the floor. It kept on jumping on the floor so he called for mum. When she came in, he was shaking with fright. Then, to their surprise, out came our kitten called Sabby. She had been playing in the bag. After they had realised they were frightened by the kitten, they both laughed.

Anne Bell, Portsmouth, Hants.

You didn't have to let that cat out of the bag, Anne.

HERE is a photograph of 10-year-old Wendy McIlwaine, her sister Sandra and her brother Sandy. Wendy comes from Preston, and her favourite TV Comic character is Popeye.
